Titles

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points DCAT = 500 points FCAT = 1,000 points FCAT# = every additional 500 points. Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

AWARDS

A light blue participation ribbon will be awarded to each dog that completes the Fast CAT 100 yards. Rosettes will be awarded for BCAT, DCAT, and FCAT Titles Please have your current points available. They can be found at:

www.shop.akc.org Click on Competitor reports, Fill in dog info, Click on Free Points & Awards, Click on View Points/Summary of the Title Progression for this dog.

The FAST CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100 yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

18" or greater = handicap is 1.0

Below 12" = handicap is 2.0

12" up to less than 18" = handicap is 1.5

Points = MPH multiplied by the dog's handicap

100 YARD DASH TIME CONVERTED TO MILES PER HOUR

A dog's 100- yard dash time must be converted into MPH using the formula below, rounded to the nearest hundredth of a mile:

Dog's time = MPH

Example: The dog's time is 8.14 seconds $204.54 / 8.14 = 25.13$ MPH

The Start: Dogs may start up to 10 feet behind the starting line

The Finish: The club will provide a safe run out area, with a minimum of 30 yards. The owner or someone familiar with the dog should stand at the finish in order to catch the dog once the course has been completed.

WHAT MUST MY DOG DO TO PASS A Fast CAT?

Fast CAT, unlike the CAT, is not a pass/fail, but a timed 100 yard dash after a lure past a start line and over a finish line. Hand held stop watches will be used to time the dog. The time is converted to MPH and then multiplied by a potential handicap based on the dog's height to award points.

CAN MY DOG EARN AN AKC TITLE FOR Fast CAT?

Titles are earned by accumulating points. The following titles will be awarded: BCAT =150 points; DCAT = 500 points; FCAT = 1,000 points; and FCAT followed by a number (e.g. FCAT2) for every additional 500 points. These suffix titles will appear on a dog's pedigree, with a higher level title superseding a lower level title. Rankings for Breed and Year can be found at: https://www.apps.akc.org/apps/fastcat_ranking/

PLEASE NOTE

Handlers/Catchers must catch dogs immediately off of the lure at the end of their run. The Lure are very expensive to replace (\$150.00) and or to repair (\$90.00). Exhibitors allowing dogs to destroy or damage lures deliberately, will be charged for repair or replacement of the lure.

TIPS FOR HANDLERS

ALL DOGS RUN AT OWNER'S SOLE RISK

1. The field is fenced. However, it is strongly recommended that prior to running your dog, you have good "recall" control over your dog, as the dogs will be off leash.
2. Handlers should wear comfortable, sturdy shoes (no sandals or flip flops, please!) and be physically able to hold and release their dogs, as well as catch them.
3. Handlers may carry toys or treats on their persons to assist with retrieving their dog at the completion of their run
4. Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the Huntmaster, Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
5. The Huntmaster will instruct the handler to "Retrieve your dog" upon completion of the run. The handler is expected to promptly secure the dog and leave the field with the dog on leash.
6. Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards.
7. Lure coursing is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.
8. Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times. Neither Shasta Kennel Club (SKC) nor its members, will be responsible for any accidents at these coursing ability tests.
9. The field has no shade and will have a temporary fence in place along one side. It is fenced on the other 3 sides. Please bring your own shade, raingear, chairs, and water.
10. All entries must be 12 months of age or older on the day of the test.
11. Each dog requires an individual entry form for each event in which it is entered. Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form Bitches in season and lame dogs will be excused, and Entries will be refunded Mixed breeds must be spayed or neutered to be eligible to run.
12. AKC registered dogs with breed disqualifications may be entered.
13. Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion.
14. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.
15. A \$5.00 fine will be assessed for any loose dog on the field that is not competing in the course in progress.
16. Battery powered, drag lure equipment will be used. Lures consist of white plastic bags and squawker.
17. Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.
18. The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.

19. Persons who exhibit conduct detrimental to the AKC/SKC/any dog(s)/other person(s) will be asked to leave the trial site.
20. Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC. Children must be under control of their parent(s) or guardian(s) at all times.
21. No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.
22. The event hosting club (Shasta Kennel Club), Shasta District Fairgrounds, its agents, members, representatives, volunteers, etc, assume no liability or responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event.
23. The field committee reserves the right to bar known aggressive dogs from the event site. There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
24. NO ONE will be allowed on the field without the express permission of the Field Chairman, except the appointed field committee.
25. Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
26. Control of dogs strictly enforced, on leash at all times except when running.
27. Clean up and dispose of all trash. Please pick up all dog feces and remove with trash or put in receptacle provided at site.

All rights to televise, videotape, advertise, photograph, promote or otherwise exploit this event are vested in the club, or in persons to whom assignments of such rights have been made in writing by the club. All persons and animals attending these shows grant the club the right to use their likeness and voice in any matter without further consent.

AKC Rules and some suggestions for having a good time at a field event and keeping your dog safe.

1. Pick up after yourselves and your dog(s). If you need poop bags, ask a club member. If trash or poop is not picked up, you may receive a monetary fine by the club. Please help keep the area clean for others to enjoy.
2. No pinch/prong collars. NO electronic collars. These are prohibited by AKC. You shouldn't use Flexi leads at any lure coursing/CAT or Fast CAT events. It's not safe for your dog, you or other dogs or people. Use a sturdy 6 foot leash.
3. Keep your dogs on a short leash, well away from other dogs. DO NOT let your dog rush up to other dogs. In particular, DO NOT let your dogs run up to large sighthounds. Your dog could be seriously injured or killed. So, take precautions for the safety of your dog.
4. Keep your dog clear of the obvious path/walkways that are being used by the exhibitors to take their dogs to and from the field. Keep your dogs away from large sighthounds that are in ex-pens.
5. Have an appropriate collar on your dog. Choke chains are not appropriate for this type of event. Your dog can be excited and pull hard enough to injure their trachea while wearing a choke chain. A flat collar with no tags is appropriate and can be left on your dog during its run. (tags may be taped to collar, if you need tape ask)
6. NO consuming of alcohol is allowed on the field. This is an AKC rule. Please refrain from foul language. This is a family sport. Infraction of either of these could get you asked to leave the event or a bench committee could be convened. This is also an AKC rule.
7. Be a good sportsman.
8. **BE PATIENT. The folks hosting the event have been working since daylight to set up the field and get ready for the event. The folks who put on the trial deserve a short break and nature call breaks.**
9. All offers of help are greatly appreciated. You don't need to understand how the event is run to help. If event is held in conjunction with a lure coursing trial, there is always someone needed who can retrieve scores from the judges or help the paddock master and help with inspection. Most clubs will gladly teach you if you want to learn.

Remember, at the end of the day, your dog has no idea about ribbons or titles. They just know that they got to come out and have a good time. Be like your dog, just come out and have a good time. And if your dog wins a ribbon or a title, that's icing on the cake.
